PROFILE

Character artist with a strong illustration base. I take a character from costume design to a production turnaround, expression sheet, skins, key art and a 3D model in Blender, keeping 2D and 3D consistent. Client commissions since 2024 (Europe, Canada and private clients).

SELECTED WORK

Radiant Paladin
Skins & costumes

One base hero pushed into five colour and material skins, nine armour concepts for one order, five expression heads.

Masked Imp
Client · 2024

Full character package: turnaround on proportion guides, key art and a 3D model in Blender matching the sheet.

Lily Spirit
Client · 2024

Character sheet (front, ¾, side, back), expressions, underwater mood piece and lantern key art.

3D in Blender
Personal

Horned Shopkeeper interior, Horned Automaton turnaround, Bone Pistol hero prop, animated diorama.

EXPERIENCE
