

PROFILE

Character artist with a strong illustration base. I take a character from costume design to a production turnaround, expression sheet, key art and a 3D model in Blender. Client commissions since 2024 (Russia, Europe, Canada). Looking for a 2D character / concept role or hybrid 2D→3D work, remote.

SELECTED WORK

Masked Imp

Client · 2024

Full character package: turnaround on proportion guides, head views, key illustration and a 3D reference model in Blender, consistent between 2D and 3D.

Lily Spirit

Client · 2024

Character sheet (front, ¾, side, back), two expressions, underwater mood piece and a lantern key illustration.

Radiant Paladin

Skins & costumes

One base hero pushed into five color and material skins, a set of knight concepts and five expression heads.

3D projects

Stylized

Story-driven shop interior with a prop set, horned creature turnaround, dark-fantasy hero weapon, animated diorama.
